

Appl. No. 09/826,709
Reply dated May 5, 2004
Reply to Office Action mailed February 13, 2004

2. Amendments to the Abstract:

A hosted Web portal where all Internet users, regardless of skill, can easily post and modify material on the Web using their existing email clients. Various tools are available for very simple authentication and site management that will ensure some degree of security and administration. For example, changing content and replacing content are provided. Hyperlinks, HTML, and embedded JPEG images in the body of the email or as attachments are supported.
